## HOW TO SUCCEED IN COLLEGE

- **Manage your time wisely** - Keep a planner, and attend classes regularly.
- **Develop good study habits** - Participate in study groups whenever possible. One hour of studying in the morning is worth two hours in the evening.
- **Complete work assignments** - Turn in assignments that are neat and legible.
- **Get involved on campus** - People who get involved in campus activities are more likely to be successful and are happier with their college experience.
- **Know your resources** - Become familiar with your campus and its facilities. Get to know your professors, advisors, resident assistants (RA's), and administrators.
- **Take care of yourself** - On the average, freshmen gain fifteen pounds their first year--be sure to eat right and exercise. Being well-rested helps your concentration and increases memory retention--be sure to get a good night's sleep every night.
- **Take safety precautions** - Do not walk alone at night. Always walk in well-lit, well-populated areas, and be aware of your surroundings. Avoid shortcuts and use security escorts whenever possible.
- **Set goals for yourself** - Set short-term and long-term goals. This will help you accomplish tasks in an organized and timely manner.
- **Learn to say "NO"** - Do not take on more responsibilities than you can handle. Avoid a heavy course load, too many extracurricular activities, too many social events, and too many hours at work. Balance is the key!

# Booster News

**SCRIP** The last day to order SCRIP before the summer break is Tuesday, May 19. The orders will be ready for distribution on Tuesday, May 26. SCRIP will resume taking orders again on Tuesday, September 1<sup>st</sup>. Forms are available in the school office.

**HELP!!!** We need people to help in the concession stand for the WLAL Lutheran Grade School Track Meet. This meet is scheduled for Friday, May 8<sup>th</sup> beginning at 4:00 pm. This would be a great opportunity for those parents that have younger children in grade school to help support LHWL and your Lutheran Grade School at the same time! Please call Chris Bos at 248-960-9304 and volunteer to help for an hour or two. Thank you for your help!

**GRADUATION:** Please consider working the parking lot at the graduation ceremony, which will be held in the west gymnasium here at the high school on Friday, June 5. With so many families attending, parking coordinators are very important in making this a happy, incident-free evening. Please call Jack Schwartz at 734-422-6125 to volunteer. A reception is held following the graduation ceremonies for all those in attendance. The **Junior class** families have traditionally helped the Boosters in planning this reception! So Junior families...please call Jeanette Walters at 734-634-8473 and ask how you can help! Please consider helping to provide cookies/bars, or set up and serve for this special occasion!!!

**REMEMBER:** Please remember the Gordon Food Service program as you are preparing for graduation parties. LHWL benefits from this program and all you have to do is shop for items that you will be using anyway! Simply mention that you are from Lutheran High Westland when you check out.

**BOOSTERS MEMBERSHIP:** Any person who has an interest in Lutheran High School Westland is eligible to become a member of its Booster Organization. If you are a parent of a LHWL student, you are automatically a member. Booster members are encouraged to attend the annual Booster Membership meeting held with the Spring Sports Recognition Night on Monday, June 1 at 6:30 pm. Members are entitled to vote for Booster Officers at that meeting.
