

## PARENT AUTHORIZATION FORM FOR MEDICATION

All medications must be kept in the school office unless specified below.  
 Students may not keep any type of medication on their person, or in a purse, backpack, or locker.  
 Students should NEVER use another student's medication or give medication to another student.

**A. Prescription medications:** BOTH parent and physician must complete the authorization form. Students must keep the medication (in the original container with the student name and dosage) in the school office unless specifically stated by the doctor on the attached form (i.e. Epi-Pen and asthma inhalers).

**B. Students who desire to have a non-prescription medication** (Tylenol, Motrin, Midol, cold medicine) available must bring the medication to the office with a completed parent authorization form. Medication must be in the original bottle and must be labeled with the student's name and emergency phone number.
